### **4.1. Applications**

All schools are eligible for rental purposes. Rental space is limited to Gymnasiums, Cafeterias, General Classrooms, Libraries, Fields and Parking Areas. Associated change rooms, washrooms, foyers and entrances generally are included with those spaces. Other areas of the school shall be off limits to the group.

Offices, theaters, technology spaces, computer labs and other areas deemed so by TLDSB are not eligible for external rental. Technology, computer (including Wi-Fi access), food preparation and fitness equipment is not available for rental. Use of Board Equipment (other than listed above) is at the discretion of the Principal. Education Centers and Adult Education Training Centers are not eligible for external rental.

The applicant shall be responsible for determining that the facilities are suitable for their permitted activity.

Prior to June 1st schools will endeavor to book all School/Board related activities for the next school year.

On June 1st, at 9:00 am, a two-week period of time will be provided exclusively for the booking of facilities by Community Group-Youth groups for the following school year. As of June 15th, at 9:00 am, booking will be open to all groups for the following school year.

A Community Use of School Permit application must be received a minimum of ten business days prior to the event. Where possible TLDSB will accommodate changes made prior to the event date. Insurance Certificates need to be presented at this time or arrangements to purchase insurance through the Board must be made.

A permit application must be prepared on each occasion. Where the event is repeated on several dates, only one permit is required. Single permits for repeat day(s) or evening(s) expire (normally as of June 15) and are required to be renewed on an annual basis.

All external bookings of school facilities for community use shall be made directly through the online service or the Facility Use Clerk.

All internal bookings for after-hours school usage that will carry over into Community Use Hours (Note 4.2) shall be booked through the school office.

To facilitate timely cancellation notification of external permits a four-week advance notification period is required for all internal permits.

A permit application made through the Facility Use Clerk will be completed by the applicant on the appropriate application form (**Appendix 5.1**) available online or from the Permit Office at 1281 Cedar Lane, Bracebridge, Ontario.

All permits shall be approved by the Principal or designate prior to a booking confirmation. The Principal or designate will have three business days to support the permit. Non-response within the designated time frame shall result in a support of the permit.

Only the applicant shall receive email notifications of the final status of their permit. In the event of cancellation, notification will be sent to the applicant.

Restrictions as outlined in the permit application (note General Conditions **Appendix 5.2**) must be followed at all times.

All external groups must submit proof of comprehensive general liability insurance when booking a permit. A Certificate of Insurance naming Trillium Lakelands District School Board as additional insured for an amount not less than \$2,000,000 (two million) is required. The insurance policy must cover the activities of the Authorized User and the activities of any other person for whom the party is responsible. Groups that do not submit proof of liability insurance with the permit application will have the cost of insurance included on their invoice. The rental office shall determine the premium charge by referring to the "User Group Rating Schedule" provided by the Insurance Company. All user groups are responsible for the deductible in the event of a claim.
