

BU-3010 ~~Employee~~ Electronic Monitoring Policy

Approval Date: 2024~~2~~

Review Date: 2029~~3~~

Purpose

When using Board provided technology, there is no expectation of privacy. The Board may monitor and may access any account and activity, documents and stored data, electronic communications, and use of the Internet at any time to ensure network integrity and compliance with procedures.

Employees must understand and agree that the Board may access any and all the information stored on or accessed using TLDSB technology and/or the TLDSB's network. For this reason, employees have no reasonable expectation of privacy in such information and should use a personal device to store information that they do not wish the Board to access.

If you require this information in an accessible format, please contact Communications Services at info@tldsbc.on.ca.
